A bee once lighted on a flower
All on a summer's day;
He sipped it once,
He sipped it twice,
And then he flew away.

There came a lizard to a wall
All on a summer's day;
He ventured once,
He ventured twice,
And then he ran away.

There came a lover to a maid
All on a summer's day;
He kissed her once,
He kissed her twice,
And then he rode away.

For the flower had no honey;
The wall was not sunny,
And the maid had no money,
Isn't it funny?
But it's true.

KENTUCKY CONGRESSMEN

Total Number of Bills Introduced in Congress This Session

It is impossible to tell at this time just how many bills introduced by Kentucky members of the House of Representatives became laws, but it is probable that the percentage was quite small.

The eleven members of the House from Kentucky introduced a total of 1,217 bills this session. The greatest number was introduced by Congressman J. B. Bennett of the Ninth District, who had 348 to his credit. Most of these were private measures. Representative Helm of the Eighth District introduced fewer bills than any other Kentucky member, having offered but thirty-three the entire session.

The number of measures introduced by each

of the Kentucky members was as follows—

Mr. James, First District, 52.
Mr. Stanley, Second District, 53.
Mr. Addison James, Third District, 54.
Mr. Johnson, Fourth District, 70.
Mr. Sherley, Fifth District, 48.
Mr. Rhinock, Sixth District, 65.
Mr. Kimball, Seventh District, 35.
Mr. Helm, Eighth District, 33.
Mr. Bennett, Ninth District, 348.
Mr. Langley, Tenth District, 212.
Mr. Edwards, Eleventh District, 227.

ALLEGED RIDERS

FURNISH BOND

Another Raid Made By Outlaws in Vicinity of Ripley

A dispatch from Ripley says: Nicholas Schwalle and Louis Schumaker, who were arrested on the charge of tearing up the tobacco beds of Henry Downing on the Germann farm Monday night, were arraigned by Mayor Williams and bound over to the Common Pleas Court in the sum of \$1,000 bond each, which was furnished.

Raiders visited the farm of Dr. Devore, a short distance from here, and destroyed tobacco plants and a lettuce bed. They carefully spread the canvas over the tobacco beds after they had destroyed the plants. Cooper, who lives

on the Devore farm, says he did not see the raiders.

Gen. A. B. Critchfield arrived here from Columbus last night to locate the two Companies of the First Infantry which arrived in Brown county this morning. Capt. R. L. A permit was granted Mrs. Mary E. Woods to erect a two-story frame dwelling, metal roof, in Commerce street, Fifth Ward.

Charlotte Small, colored, was put on the city pension list at \$2 per month.

A petition signed by eight property holders was read, protesting against the removal of the Market Street Esplanade. The matter was referred to a special Committee, consisting of Members Clooney, Lee and Short, to report back to Council at a meeting to be held June 18th.

The Limestone Fire Company's list was returned for correction and a compliance with the law. The list lacked three of having a sufficient number of signers.

The street-paving ordinance as amended was finally agreed to, and includes the paving of Sutton from Second to Third; Market from Second to Third, and Second from Wall to the residence of Gable Brothers in the West End.

The sidewalk ordinance passed its second reading, as heretofore published.

THE voters heard a great deal during the recent campaign for Governor about the political purity of Governor BECKHAM; and the Hon. AUGUSTUS E. Gets the Reward For the Capture of Fleming's Slayer

The friends of Spencer Walker are extending the glad hand of congratulation over his success in the Kenton Circuit Court, wherein he was awarded a verdict for the \$500 reward offered by the Cincinnati Southern Railway Company for the arrest and conviction of Engineer Fleming of Ludlow, Ky.

It will be recalled Fleming was killed about two years ago in the night time while in pursuit of duty on a train of the said Company and while his slayer was stealing a ride on Fleming's train.

The case was stubbornly contested by other claimants, among them being Elmer Cooley, Town Marshal of Manchester, O., W. O. Grierson of Vanceburg, Constable C. T. Marsh and Chief of Police Harry A. Ort of this city.

SONGS AND ESSAYS

Brilliant Exercises of Miss Gordon's School Last Evening

Of an exceptionally brilliant character, made especially so by the selections of the Verdi Quartette, were the Commencement exercises of Miss Gordon's Training School at Washington Opera-house last evening.

The house, as usual on such occasions, was filled with the friends of the competent teacher and her pupils, the public, by its presence, attesting each year the interest felt in this educational institution.

Miss Gordon, as a teacher, has a most enviable reputation in this section, and that patrons, too, have every confidence in her ability is evident in the number of scholars she has in her school from year to year.

This session four students completed her required course of study—Misses Bertie Phister Sweet and Nannie Clay Tully, Messrs. Henry Means Walker and Alexander Keith Marshall. Food for deep thought was furnished in each of the papers of the graduates, the subject matter brought out in a very bright and attractive style, and delivered in a most effective manner.

The subjects of the essays were as follows—

Miss Sweet—

"Reason, they say, belongs to man, Let them prove it if they can."

Miss Tully—"Would You Laugh or Would You Cry?"

Mr. Walker—"Character, Not Reputation."

Mr. Marshall—"The Educational Value of Beautiful Surroundings."

Only those who attended the Commencement can appreciate what themes these subjects afforded, and the graduates were heartily applauded at the conclusion of each essay.

The music for the occasion was furnished by the Verdi Quartette, composed of Stella Ginandt, soprano; Margot Brand, alto; W. C. Kline, tenor, and John G. Reinke, Bass, and from their opening number they won the hearts of their audience, and appreciation was lavishly theirs to the last number on the program. Encore after encore was called for, the Quartette responding with its most charming selections. The individual voices were rich in melody, but as a Quartette were at their best.

The diplomas were graciously presented by Judge A. M. J. Cochran, who made a brief address. Miss Tully and Mr. Walker were the honor students, Mr. Walker first and Miss Tully second.

"Good Night," by the Quartette, closed the Commencement of 1908 of Miss Gordon's Training School.

FIFTEEN YEARS OF KEEN SUFFERING

Rheumatism Developed Burning, Painful Sores on Legs—Tortured Day and Night—Tried All Kinds of Remedies to No Avail—Wife Had Debility and Pains in Back.

BOTH USED CUTICURA AND ARE WELL AGAIN

"My husband had been a great sufferer with rheumatism for nearly fifteen years. At first it was in his bones, but after a while it was in the flesh and finally running sores broke out on his legs, from below the knees to the ankles. There are no words to tell all the discomfort and great suffering he had to endure night and day. He used every kind of remedy and three physicians treated him, one after the other, without any good results whatever. So one day I happened to read about Cuticura Remedies. I asked him if he would not try them. 'No,' said he, 'it's no use, I've spent enough money now.' The next day I ordered five dollars' worth of Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent. He began to use them without confidence but after three weeks all the sores were dried up. The burning fire stopped, and the pains became bearable. After three months he was quite well. Two years later the pains and sores came back after he had been working hard and had taken cold. But as soon as he used Cuticura again it cured him. Two years ago I used Cuticura Pills for general debility. They did me a great deal of good and made me well. Three months since I had pains in my back and Cuticura took them away, too. I can prove this testimonial at any time. Mrs. V. V. Albert, Upper Frenchville, Me., July 21, 1907."

AUGUSTA, KY., June 4th.—Lewis Kinney appeared before County Judge Bradford at Brooksville this morning and made affidavits for warrants charging Patsy Lundrigan, Ben McCracken, Joe Schwiwer, John Meler, and Paul Gerhart with being members of the band of masked men that visited his home at Gertrude, this county, on the night of May 4th, destroying his property and whipping him with a black-snake whip.

A short time ago Kinney swore out warrants for James W. DeVaughn and Frank High, charging them with the same offense.

A SADDENED HOME

Heroism of a Colored Man in Attempting to Save a Drowning Youth

William Paxton Taylor, colored, the twelve-year-old son of Mr. and Mrs. John Taylor of East Fourth street, was drowned last evening about 6 o'clock in the Ohio river at the foot of Market street.

The unfortunate lad, together with two companions, sons of John Green of the Fleming pike, were occupants of a fish boat tied to a chain at the wharfboat.

In some manner the boat became detached from its moorings and was floating off with the current, which caused the boys to become frightened and panic-stricken. The two Green boys jumped into the river and reached the shore in safety. Young Taylor hesitated for a moment, then he, too, followed after his companions and jumped into the water.

William Sanford, colored, who witnessed the accident from the top of the grade, immediately hastened to the aid of young Taylor, who was floundering in the river some twenty feet from shore. Sanford, without divesting himself of clothing, rushed into the water and was soon at the boy's side, but was caught in such a manner around the limbs by the drowning lad that he became helpless and both would have drowned had not Captain C. M. Phister gone to his rescue and caught him by the top of the head when he was being dragged down for the third time.

The boy's body was also recovered by Captain Phister in about ten minutes after it had sank.

Physicians worked for some time endeavoring to resuscitate life, but the vital spark had fled and could not be rekindled.

The boy belonged to one of the best colored families in the city and the sympathy of the community goes out to the stricken and sorely grieved parents.

Funeral at Scott Chapel tomorrow afternoon at 2 o'clock.

Further discussion of the third point will be taken up by the class at its regular meeting at 3 p. m. next Sunday.

A Rubber Social was an oddity given by the Plymouth Baptist Sewing Circle at the home of Mrs. Suddie Combs. The guests came in twos and threes and were burdened with rubber shoes that had seen better days, for the edict had gone forth that defunct rubber footwear should be the price of admission. The prize for securing the largest number of rubbers was awarded to Miss Artemita Brown. The attendance was a large one and judging from the amount of rubber received it was a success both socially and financially.

THE PERFECT WAY.

Scores of Mayville Citizens Have Learned It.

If you suffer from backache, There is only one way to cure it. The perfect way is to cure the kidneys. A bad back means sick kidneys. Neglect it, urinary troubles follow. Doan's Kidney Pills are made for kidneys only.

James Wells, living on Front street, Vanceburg, Ky., says:

"About one month before I began using Doan's Kidney Pills my back began to ache and pain and caused me a great deal of annoyance. I knew that if the trouble was not eradicated it might prove fatal. Often when I came home at night and went to bed the trouble was so severe that I had to continually change my position, and during the day I had to pass the secretions every little while. A friend advised me to try Doan's Kidney Pills. I procured them and the use of one box entirely cured me. I have had no symptom of kidney trouble since and give the credit to Doan's Kidney Pills."

Plenty more proof like this from Mayville people. Call at J. Jas. Wood & Son's Drug-store and ask what their customers report.

Graduating Time :-:

There is nothing which would please the graduate more than one of our Solid Gold Watches or perhaps a Diamond Ring, as they are things which can be kept a life-time and recall the wearer of those happy school days. We also have a full line of Gold and Silver Novelties, which has made our store famous for its up-to-date.
